PRODUCT DESCRIPTION

Fashioned after a scene from our game Aqua Koalas, this image is painted in a manner reminiscent of traditional watercolor techniques and virtually indistinguishable from expensive commissions. Arriving at your door, is a professionally mounted barn wood frame with a clear glazing that is crack resistant during transit. Solid framing methods ensure the work is well-protected for generations to come, if kept inside of a home with temperate conditions. Please avoid exposure to extreme heat or dropping the artwork on the floor.
