PRODUCT DESCRIPTION

Show up at work with pizazz! This roomy courier bag can easily hold a small laptop and tablet, multiple notebooks and then some. The shiny, satin-type of polyester fabric has a soft feel, yet is made for resiliency. The flap easily snaps to the body with velcro, revealing a zippered interior within. The sturdy shoulder strap measures about 1-1/2 inch wide and is expandable from 27 to 52 inches. The image is imprinted with an advanced sublimation process that is known for its vibrant colors, color fastness, and durability.
