PRODUCT DESCRIPTION

Enjoy Winter outside of the snow globe. Witness the escape of KJ hero and Bundy, the snowman from the snow globe. Follow them on a soap bubble-popping adventure that leads through the house, out of the window, off to the Northern Lights, snowy-packed landscapes, and back to a warm fireplace! Play the game to the end and receive several Koala Jo prizes!

Tilt your device to navigate the snowman across each scene. Tap the screen with your finger to burst soap bubbles with snowballs. Collisions with Human mousetraps will force the current scene to start over and cost points. Tap the pause button to place the game on hold. Several menus allow access to game information, sound settings, scores, unlocked scenes, gifts, and other games.
