PRODUCT DESCRIPTION

Enjoy the fruits of your artistic labor with many people to come. We will turn your expressions into reproducible, ten-inch square shadow boxes with assorted paraphernalia that can be customized according to your own vision, even deciding for yourself whether you would like the three dimensional curio item to reside on the left, center, or right side of the shadow box. Note, the shapes of natural elements such as pieces of driftwood, feathers, and rocks will vary and be the source of an element of surprise in each instance of an order.

The art is printed with archival quality inks that provide a vibrant gamut and accurate color resolution. Acid-free watercolor paper gets torn by hand to yield deckled-edges, for a true fine art appeal. The frame ensure the work is well-protected for generations to come, if kept inside of a home with temperate conditions. Please avoid exposure to extreme heat or dropping the artwork on the floor.
