PRODUCT DESCRIPTION

Our jewelry selection comes in striking sterling silver and antique, silver-plated pewter that will beautifully showcase your professional art and make it stand out. The line was created to combine pieces that offer affordable, casual elegance along with the quality of images you have come to expect. The pieces will be treasured by your clients friends and become a walking billboard for your creations.

Style

The Sunshine necklace is made of a 34" black cord necklace with dyed pearls in beautiful jewel tones. Included is a 100% sterling silver 1 1/4-inch circle pendant on a small hinged sterling silver enhancer. The pendant is handmade on demand and baked in special heaters to provide a smooth, clear appearance and to seal the image. An enhancer allows the pendant to be removed to wear on other necklaces.
