PRODUCT DESCRIPTION

Velvet outfits seen in high-end stores everywhere and so can't be missed in the wardrobe of fashionistas, especially of a flowing skirt design that is reminiscent of classic skater dresses of the 1950s! The shiny texture of the smooth polyester spandex material enhances the tones of the black top, which makes a unique artistic statement pop in the bottom all the more. The image is imprinted with an advanced sublimation process that is known for its vibrant colors, color fastness, and durability. Machine or hand wash in cold water is recommended.
