PRODUCT DESCRIPTION

This can either be a reproduction from an original work of art or an actual painting fashioned after a memorable photograph of a landscape, person or pet. Derived from a print, the artwork may also contain a combination of pastel and colored pencil applications. The acid-free, cold pressed watercolor paper gets torn by hand to yield deckled-edges, for a true fine art appeal.

Trained artists paint the final image in a manner that is reminiscent of traditional watercolor techniques, rendering it virtually indistinguishable from expensive commissions. Arriving at your door, is a glossy, white veneer frame with spacers that raise the clear glazing up from the original to protect the artwork and for added mystery.

Solid framing methods ensure the work is well-protected for generations to come, if kept inside of a home with temperate conditions. Avoid exposure to extreme heat or dropping the artwork on the floor.
