PRODUCT DESCRIPTION

Marvel at the wonders all around. Go on a journey with the KJ hero and marvel at wondrous fifty-two wondrous scene experiences. Visit the circus, a ballpark, the beach, become a pirate, play golf, enter a candy store, greet sea turtles, and much more. But keep the inner super-clown in check. For, if it should get dark outside, you may no longer find your way back home. Play the game to the end and receive several Koala Jo prizes!

Tap your finger on the screen to help KJ turn daily impressions into rose-colored memories before night falls. Tilt your device to navigate the koala across each scene. A collision with super-clowns or time clocks will force the current scene to start over and cost points. Tap the pause button to place the game on hold. Several menus allow access to game information, sound settings, scores, unlocked scenes, gifts, and other games.
